

Intelligent Solutions for K-12 Challenges

Unparalleled Expertise

CSI helps school districts eliminate IT worries and reduce maintenance efforts with seamless, scalable solutions built on the expertise we've established over the last 30 years.

We understand the unique challenges faced by educational institutions, and we can help meet those challenges with solutions such as:

- Communications/Messaging
- Desktop/Client Management
- Integrated Wireless
- Proactive Network Management & Support
- Security/Remote Access
- Server Consolidation/Conversion
- Server Virtualization
- Storage and Disaster Recovery

CSI also understands your procurement processes and requirements, including purchasing via state contracts, special bids, E-Rate and other funding sources. Come visit our web site for complete details.

With CSI behind you, you'll have peace of mind knowing we'll take a proactive approach to your IT needs, allowing you to focus on campus operations rather than on your technology. We explain all work performed and the benefits provided, and we suggest preventive measures for the future whenever possible.

By partnering with CSI, our K-12 clients know the job will be done right the first time, every time, with minimal interruption of school activities. With CSI you'll never have to go it alone.

That's our promise.
