This Master Services Agreement ("MSA") is made between Computer Systems Integrators, Inc. ("CSI"), a New York Corporation having its main offices at 1401 Route 52, Suite 100B, Fishkill, NY 12524 and Our Valued Client ("Client") that accepted the Quote(s) for Services. (each a "Party" and, collectively, the "Parties").

- 1. Term of Agreement:** This Agreement will be effective as of the date set forth on the applicable Quote and will continue for a period of one (1) year ("Initial Term") and shall automatically renew for successive one (1) year periods (each a "Renewal Term") (collectively, the "Term").
- 2. Services Provided:** CSI agrees to provide to Client, on a timely basis, the services described in the applicable Exhibit(s) and any Statement of Work ("SOW") referenced in an applicable Quote and executed by the Parties (the "Services"). Services will commence on the Effective Date or, if otherwise stated, per the terms and conditions of the applicable Quote and SOW. CSI and Client may amend or change this Agreement or the scope of any SOW by a written agreement signed by both Parties. Any such document shall be deemed an amendment to this MSA or the applicable SOW, and all other terms of this contract shall still apply. No Services will be provided under this Agreement alone; Services require a SOW, and a mutually acceptable Quote, each of which must be executed by both Parties and both of which are incorporated herein by reference. It is acknowledged and agreed that the Parties may execute multiple Quotes and SOWs under this Master Services Agreement. To the extent that CSI recommends or offers a Service to the Client that would improve its network functionality or network security and the Client declines such Service, CSI shall have no liability whatsoever for any damage that a declined service could have prevented.
- 3. Client Obligations:** Except as provided in this Agreement or included in a SOW, Client shall provide the hardware, software, materials, information, and access to Client's facility as are necessary for CSI to render the Services. Client shall provide a suitable working environment for any Equipment located at Client's facility. Such environment includes but is not limited to the appropriate temperature, static electricity, humidity controls, and adequately conditioned electrical supply for each piece of Equipment. Client shall bear the risk of loss of any Equipment located at Client's facility. Unless specifically ordered under this Agreement and included in an executed SOW, Client shall be responsible for the application, operation, maintenance, and support of its systems, hardware, and software, including, but not limited to, the implementation of appropriate procedures, training, safeguards, and routine backups. Similarly, unless specifically ordered under this Agreement and included in an executed SOW to the extent that CSI or any third-party manufacturer requires any preventative maintenance with respect to the Services, Client shall be responsible for such maintenance. To the extent required by CSI, Client shall provide a reasonable amount of secure space at Client's facility for storage by CSI of materials.
- 4. Status of the Parties:** The Parties acknowledge and agree that CSI's status is that of an independent contractor and not an agent or employee of the Client for any purposes. CSI shall perform the Services relying on its experience, knowledge, judgment, and techniques. CSI may, upon prior notice to Client and in its sole discretion, hire subcontractors to assist in the performance of the Services at CSI's expense.
- 5. Intellectual Property:** Each Party owns or licenses from third Parties certain intellectual property, and this Agreement does not transfer any ownership, any right to use or license, or any interest of any kind, in such existing intellectual property of either Party, except as may be agreed upon by the Parties and specifically described in the attached Exhibits.
- 6. Service Coverage:** Services shall be provided during Regular business hours for general time and materials service coverage is between the hours of 8:00 am through 5:00 pm EST, Monday through Friday, excluding CSI published holidays (found here: <https://www.csiny.com/contact-us/>) All requests for remote service work are billed in fifteen (15) minute increments. Emergency After-hours rates apply outside of regular business hours and will be charged at 1.5x the Standard billing rate enumerated in the Quote. All after-hours service requests are subject to a minimum (2) two hours charge. All on-site service calls are subject to a minimum two (2) hour charge for each visit. For travel over one (1) hour, additional travel time will be billed in fifteen (15) minute increments at CSI's Standard billing rates. Block Hours for the advance purchase of service and support hours may be purchased at discounted hourly rates as set forth in a Quote/Purchase Order. Any such purchase will be subject to the Block Hours Agreement, which will be attached to and incorporated herein by reference if such Block Hours are ordered.
- 7. Pricing and Payment:** Pricing for all Services provided under this Agreement is provided in a separate Quote and will not include federal, state, or local taxes as applicable. These taxes will be added to the sales price when CSI is legally obligated to collect the taxes unless the Client provides CSI with a proper tax exemption certificate. All Quote(s) are subject to correction for stenographic, typographic, and clerical errors.

Terms of payment are net due upon receipt of invoice. Client agrees to pay a delinquency charge of 1 ½% per month up to 18% per annum unless otherwise limited in accordance with an applicable state law, on any outstanding balances more than ten (10) days past due by Client from the date of invoice until Client renders payment in full. If CSI is required to pursue legal action against Client (whether or not suit is filed) to collect any amounts owed by Client to CSI, Client agrees to pay CSI's expenses, including reasonable attorneys' fees, incurred because of, or arising out of, the legal action.

8. Confidential Information: For purposes of this Agreement, the term "Confidential Information" shall mean all non-public information of either Party, whether or not marked as confidential or proprietary, including, without limitation, client lists, client information, supplier lists, financial information, contractual information, designs, pricing information, internal business organization information, marketing, business and expansion plans and all other business documents, notes, records, research and development, intellectual property, technologies, processes, procedures, programs, systems, products and methods of either Party, and all written, oral or electronic information concerning any of the preceding.
